

East-Side hipsters kick-back a bit in this 70's truck stop themed local bar by Saints & Sinners / Big Foot Lodge owner Bobby Green. Come get your inner Burt Reynolds on, check out the original 1978 Trans am hood and relish in the tin beer can collection. Not all in bad taste by any means, the overall design is thoroughly thought out and entirely well done.

Design.Net.Mix
Wednesday, March 4th
6 - 9 pm

2939 W. Sunset Blvd.
in Silver Lake, 90026

Special DJ set just for architects done by our local young architect liaison, Erik Hagen. Plus, get there by 7 pm and revel in the Jack Daniels Promos! and if food is on your list, right next door is the latest in savory and inexpensive eats, Silver Lake style at Local.

The Emerging Professionals Committee of AIA Los Angeles establishes connections among and advocates on behalf of Architecture School Graduates, aspiring and recently-licensed architects and Associates, as well as individuals that mentor these important groups of people. The Emerging Professionals host Monthly mixers and New Beginnings Panels throughout the year.
